

# The Fylde Sand Dunes Project

## Free Guided Walks 2019

The Fylde Sand Dunes Project will be running a series of **FREE** volunteer-led guided walks on Lytham St Annes Local Nature Reserve and surrounding sand dunes.

We've got a series of weekend guided walks on offer throughout 2019, so come along and discover the wonders of this Site of Special Scientific Interest with our passionate and informative volunteers.

Lancashire Wildlife Trust, Fylde Council and Blackpool Council work in partnership on the Fylde Sand Dunes Project in order to enhance the nature conservation interest, public appreciation and enjoyment of the dunes. The guided walks aim to promote the importance of our amazing dunes and to provide information about the project and our local wildlife.

*Turn over to see the full schedule of walks.*
