Example party plan

The children can get in the mood by colouring in their own seal mask to wear throughout the beach party adventure.

Then we'll get stuck in with a themed activity on the beach – A story telling Tale Trail adventure, strandline scavenger hunt, rockpooling or muddipping.

Everyone can get active and learn about our seas our fun beach games, like the cod run game or animal theatre.

Finally, in pairs the children can get creative - who can make the best sand sculpture in the beach art attack?!

After all that fun, refuel those energy reserves with a beach picnic (BYO) and one of our fish-shaped biscuits!

Party information

You can hold your seaside birthday party at several locations along the **Lancashire coast** – we will help you pick the best location when you make an enquiry.

Parties are led by one of our experienced members of staff and last two hours. There may be an option to hold some of the party indoors (depending on location and at an extra cost), but most of the time is spent outdoors. As such, children need to wear appropriate outdoor clothing.

We run birthday parties at weekends subject to availability and you can choose from a 10am-12pm or 2pm-4pm party time.

Parties cost £200 for up to 20 children. We can provide party bags and sea-themed treat for your group.

We do not provide food but families are welcome to bring their own food and drink to enjoy a picnic before or after the party.

Our maximum party size is 20. This includes younger children/siblings.

You are responsible for the care and supervision of the children at all times. You must provide no less than one adult supervisor to eight children. Younger children (below 5) must be accompanied by an adult at all times.

Party bags

We will provide eco-friendly party bags for each child with a selection of stickers, activities, story trails and goodies.

Party invitations

We provide a party invitation template for you to download and send to your guests.
